

Declaration of Performance

14

0038/CPD/LRQ 4008088/C/1
Lloyd's Register Quality Assurance Limited
71 Fenchurch Street, London EC3M 4BS

BS EN 12899-3:2007

D3 Hazard Marker

Delineator posts complete with fixed retroreflectors for the information guidance, warning and direction of road users.

Resistance to Horizontal Loads

Static requirement (wind loading) – pass (WL2)

Performance under vehicle impact

Dynamic impact resistance (material requirement) – pass (D3)

Dynamic impact resistance (functional requirement) – pass (D3)

Dynamic impact resistance (passive safety) – pass

Impact resistance (reflectors)

Dynamic impact resistance – pass (DH2)

Visual performance (posts)

Daytime chromaticity coordinates and luminance factor – pass

Visual performance (reflectors)

Daytime chromaticity coordinates and luminance factor – pass

Night-time chromaticity coordinates and luminance factor – pass

Coefficient of retroreflection R_A – pass

Durability

Resistance to corrosion – NPD

Water resistance - pass

Resistance to UV radiation (natural weathering test) – NPD

Dangerous substances

Pass
